

Transferring your membership to AMT

The Association of Massage Therapists (AMT) advocates vigorously on behalf of our members to advance the profile and standing of massage therapists, and promote the health benefits of massage therapy.

Transferring to AMT is a lot easier than you think. If you have provider status with the private health funds, we can transfer your numbers across without interruption to your practice or your clients.

What documents do I need to supply to AMT?

AMT requires the following documents to make your transfer happen:

- A copy of your national police history check certificate
- A copy of your massage qualification and academic transcript
- A copy of your current Association Membership certificate
- A copy of your HLT First Aid certificate
- A copy of your insurance certificate of currency
- A list of the health funds you currently have provider status with and your provider numbers (where applicable). We will request this information from you when we approve your membership.

You will need to retain your current association membership for six weeks when you apply to AMT, to allow all your existing numbers to be transferred across smoothly and without interruption to client claims.

If you hold pre-HLT qualifications or are being grandfathered by the health funds we cannot guarantee you will be able to be re-registered if you let your membership/provider status lapse before you have transferred over.

Please call our Head Office on 02 9211 2441 or email info@amt.org.au so we can help you determine whether you are eligible to transfer your membership to us.

To start the transfer process now and apply online, please follow this link:
