

fact sheet - issuing provider numbers

Who notifies me of my provider numbers?

The following funds will send you direct notification of your provider number:

- Australian Unity
- GU Health
- WorkSafe Victoria

The following funds do not issue provider numbers. You should use your AMT membership number on receipts:

- NIB
- HCF
- Commonwealth Bank Health Society (CBHS)

The following funds use your AMT membership number as the basis of your provider number:

• **ARHG** – your provider number is AW0XXXXM, where the 4X's are your 4-digit member number. If your membership number is 5-digits then your provider number will be AWXXXXXM where the 5 X's are your 5-digit member number.

• **Doctor's Fund** – your provider number is AMXXXX, where the X's are your 4 or 5 digit member number

The following fund issues provider numbers but does not require you to use them on the receipt. You must however list your Association name and membership number on the receipt:

- ahm Health Insurance

AMT will inform you of your provider number for the following funds:

- ARHG
- BUPA
- Doctor's Fund
- Medibank Private
