ABOUT THE WORKSHOP

Easing the neck using a blend of myofascial and mobilisation techniques Presented by Subhadra Gerard

This workshop will be an opportunity to learn a number of advanced myofascial techniques (both direct and indirect), and to look at familiar techniques and explore different approaches.

The workshop will include:

- A brief overview of neck anatomy
- Techniques for the platysma, SCM and trapezius
- Techniques for the scalenes, the deeper erector spinae, and the sub-occipital complex – if we have time?
- Techniques for the anterior neck muscles

ABOUT THE PRESENTER

Subhadra has over 30 years of extensive clinical experience in soft tissue therapy and remedial massage. He specialises in structural integration bodywork, myofascial release therapy and craniosacral balancing. For more than 15 years he has also been an educator of students training in remedial and sports massage and other types of bodywork – teaching at private colleges in Perth, the Central Institute of Technology, and at Edith Cowan University.

Members who do not wish to attend the whole day are warmly invited to attend the AGM only. There is no fee to attend this portion of the program but we do need you to RSVP. Please telephone or email head office if you wish to attend the AGM only.
