

My mask protects you

A modeling study from the universities of Greenwich and Cambridge indicates that widespread use of face masks keeps the coronavirus reproduction number below 1.0.*

This is especially important in the context of a massage therapy appointment where social distancing cannot be maintained.

Your mask protects me

*Stutt ROJH, Retkute R, Bradley M, Gilligan CA, Colvin J. (2020) A modelling framework to assess the likely effectiveness of facemasks in combination with 'lock-down' in managing the COVID-19 pandemic. *Proc.R.Soc.A* 476: 20200376
