VISION, MISSION AND VALUES

AMT is a national, not-for-profit association representing qualified Massage Therapists and Massage Therapy Students. Established in 1966, we are the oldest association in Australia to represent massage therapy in its own right. We advocate vigorously on behalf of our members to advance the profile and standing of massage therapists, and promote the health benefits of massage therapy.

Vision

Australians have access to safe, ethical and evidence-informed massage therapy treatment within the Australian health care system.

Our mission is to:

- Support our members
- Professionalise practice
- Educate and inform the public and other healthcare professionals

AMT values

Best practice

We support our members to deliver evidence informed, skilled and ethical care

Participation

We encourage our members to connect and engage with colleagues

Leadership

We have set the agenda for industry advocacy since 1966

Openness

We strive for the highest standards of transparency and accountability

Client focus

We put quality and safety of care at the heart of our agenda
